

Yardtech's News

VOLUME 2 ISSUE 2

WELCOME

Hot temperatures of summer time have finished but nowadays, there are hot temperatures in the Shiprepair Yards worldwide, due to scheduled d/d repairs as well as Scrubbers and BWT retrofits.

DAMEN SHIPREPAIR YARDS are always on top of the choices of the Greek Shipping Market because of their serious performance. Many Greek vessels are already booked in their Docks (N.W. Europe, Caribbean Sea and Black Sea).

M/V AGRARI is the first vessel of TMS TANKERS which opens the project of 15+10 vessels for drydock repairs and BWT / Scrubber installations at our Principals DAMEN MANGALIA SHIPYARD.

M/V TAMARA, M/V MYRTOS, M/V BOTAFONGO have already been completed successfully, there, as well.

GLOBAL SHIPPING project of 5 cruisers for annual drydock repairs at DAMEN SHIPREPAIR AMSTERDAM and VEROLME is also on going.

We proudly announce our recent Exclusive Contracts with Index-Cool Marine and Industry PTE in Singapore, as well as, Kingfisher Marine Services Ltd in Shanghai who are considered to be our new proposal for drydock and retrofit in Far East.

Europort 2019 Exhibition is coming in the beginning of November (5th- 8th) and our Principals DAMEN GROUP will be there as Exhibitors. Meet us at Rotterdam.

We wish you a nice working season!
